Personal Reflection

Here are some questions to answer as you are writing your personal reflection assignment.
What are you learning about God through the reading? What are you learning about yourself?
What are you learning about others (believers & non-believers)?

Email reflections to info@renaissancepgh.com no later than the start of the institute (5PM) on given due date.

Sharing

The best way learn new things is to teach it to others. Make sure the person you are sharing this with in your MC is someone you are discipling and/or are being disciplined by. In addition to sharing this with other believers in your MC, we want to empower you to share these truths with others that you are in regular relationships with who do not know Jesus.
