

# OFF CAMPUS FAQ

---

## What is Off Campus?

A ministry that connects college students here in Pittsburgh to individuals/families at Renaissance Church to serve as a support through things like shared meals, opening their home as a retreat from campus, a place to do laundry, and much more.

## Why Off Campus?

College is an exciting yet unknown season of life. Living away from home for the first time, missing the regular rhythms of community with your family and friends, and stepping into something brand new can often produce feelings of loneliness and instability. Off Campus aims to provide support to students during this unique season!

## Who is Off Campus for?

This is primarily for \*college students (undergrad and grad) who call Renaissance Church their home, and secondarily for students who do not currently have a local church family in Pittsburgh.

*\*If you're not in college but are of college age and would like to participate, please email [luke@renaissancepgh.com](mailto:luke@renaissancepgh.com)!*

## When is Off Campus offered?

Off Campus is offered for both the Fall and Spring semesters, breaking over the Summer.
